

## **Houghton Draft Neighbourhood Plan August 14th deadline approaches**

The pre-submission consultation meeting held in the Village Hall on Wednesday July 6th was pleasingly well attended.

Following a brief introduction, attendees were invited to look at the draft Neighbourhood Plan, ask questions of members of the Neighbourhood Plan Working Party and take away copies of the comments forms for completion, then return to a drop-off box in Houghton Garage or in the Newsagent/Post Office.

Your comments on the draft plan are important and you are encouraged to participate. More comments forms are available from the above locations, or by contacting any Parish Councillor.

As widely publicised, **the final date for submission of comments is Sunday 14th August 2016**. Unfortunately comments forms cannot be accepted after this date.

Please remember that the full draft plan is available to view at the above locations or on line at:
